Johns Manville Roofing Price Increase

Continued cost pressure has made it necessary to increase prices on our bituminous product lines.

The following price increases will be effective April 1st, 2014:

BUR, SBS, and APP Membranes – 5%

All orders must be received by March 10th and be scheduled to ship by March 31st based on available material and shipping capability to guarantee pre-increase pricing. The new price will be applied to all shipments on or after the effective increase date regardless of order placement date. Existing quotes will be honored but extensions will not be granted.

Thank you for your continued support.
