Effective April 1st, 2014 there will be a 5 - 7% increase on all TPO membrane and accessories.

All orders must be received by March 10th and be scheduled to ship by March 31st based on available material and shipping capability to guarantee pre-increase pricing. The new price will be applied to all shipments on or after the effective increase date regardless of order placement date. Existing quotes will be honored but extensions will not be granted.
