To : All Canadian Customers

SUBJECT : **PRICE INCREASE ON ROOF INSULATOR PRODUCTS AND CEILING PANELS**

Dear Customers,

As a result of significant increases in the cost of raw materials and energy, please be advised that, effective **May 26th, 2014**, Building Products of Canada Corp will be implementing a price increase of 2.5% on their roof insulator products and of 5% on their Mineralite and fiberglass lay-in ceiling panels (excluding all woodfiber ceiling tiles and panels). The price increases will be applicable on the following product groups:

- Roof insulator products: BC, BK, BP, and BR;
- And, on ceiling tiles BM and BF

All orders shipped on or after **May 26th, 2014**, independently of the time of the order, will be invoiced at the new prices. We reserve the right to limit quantities on orders placed prior to the effective date of the price increase.

A revised price list reflecting those price increases will be issued shortly. Should you have any questions, please do not hesitate to contact your local Building Products of Canada Corp. Sales Representative.

We thank you for your continuous trust and support.
