

IMPORTANT NOTICE

PRICE INCREASE ON ALL FIBERBOARD COMMODITY PRODUCTS

April 7th, 2014

Dear Customers,

Matériaux Spécialisés Louiseville Inc. (MSL) and Western Louisville Fiberboard Inc. hereby notify you that effective May 7, 2014, there will be a 3.5% price increase on fiberboard insulation panels natural, impregnated and coated.

This increase is due to rising costs in almost all of our raw material products, chemicals, coatings, packaging, etc.

This increase will be applied to all shipments in Canada effective May 7, 2014. We reserve the right to limit quantities.

A new price list will be submitted shortly.

For more information, please contact your representative.

Thank you for your understanding, your trust and your collaboration.
