September 15, 2017

Dear Valued Customer,

To ensure that you remain competitive in the marketplace, we are postponing our previously announced price increase (7% FOAMULAR® Extruded Polystyrene Rigid Insulation, 12% CodeBord®) until November 1, 2017.

We are monitoring the available supply and cost of input materials. We continue to experience Raw material cost inflation that began in Q1 and has not subsided to this point. Securing uninterrupted supplies of raw materials in the near term in order to meet customer demand remains a priority.

Thank you for your continued support of Owens Corning products and the opportunity to serve you. If you have any questions, please feel free to contact your Owens Corning Area Sales Manager.

Sincerely,
Owens Corning Canada
