**Price Increase Announcement
SBS Membranes and Accessories
Effective March 1st, 2018**

To our valued customers,

Raw material cost increases that were incurred in the last months and since our last increase April 3rd, 2017 have significantly impacted the cost of our finished products. As a result, SOPREMA will implement a 4% to 6% price increase on all SBS Membrane and accessories. This price increase will be effective March 1st, 2018.

Any existing written quotes will be honoured but all new quotes for projects shipping after March 1st, 2018 will reflect the new increase.

Should you have any questions, please do not hesitate to contact your local representative.

Thank you for your support.

Best regards,

Richard Voyer
